CONSULTANTS

Welcome Ron McKaskel, RRO

Raleigh, NC, January 7, 2016– REI Engineers, Inc. is proud to announce Ron McKaskel, RRO has recently joined the firm as Business Development Director for the North Carolina market. Mr. McKaskel has over 28 years of experience in the roofing and building envelope industry as a contractor, distribution manager and business development for engineering services.

"Ron brings a wealth of knowledge and experience to our organization. We believe this is a great opportunity for REI Engineers to enhance our ability to deliver professional services to a broader range of potential clients without losing focus on our key business partners."

Scott Hinesley, PE, RRC, President

Mr. McKaskel will be based out of the Raleigh, NC branch and may be contacted at:
